

27TH APRIL

CONFERENCE AT A GLANCE

EUROCON 2011 - INTERNATIONAL CONFERENCE ON COMPUTER AS A TOOL

9h00-10h30	Opening Session & Key note speakers				
coffe					
10h50-12h30	Telecommunication Services and Applications	Engineering Management	Computer Networks	Signal and Image Prosscing I	
lunch					
13h50-15h30	Next Generation Networks I	Multimedia Technologies and Applications I	Computer Systems	Signal and Image Prosscing I	Poster Session P1
coffe / poster 1					
16h20-18h00	Next Generation Networks II	Multimedia Technologies and Applications II	Materials and Electronic Devices	System Identification and Control	
18h30	Welcome Reception				

14h50-16h50

28TH APRIL

8h30-10h10	Wireless Communications I	Antennas	Optical Communications I	Modeling Simulation	Poster Session P2
coffe / poster 2					
11h00-12h40	Wireless Communications II	Radio Propagation I	Optical Communications II	Analog Integrated Circuits I	
lunch					
13h50-15h30	Wireless Communications III	Radio Propagation II	Instrumentation and Measurement	Analog Integrated Circuits II	Poster Session P3
coffe / poster 3					
16h20-18h00	Wireless Communications IV	Microwave Filters and Quantum Effects in Information and Transmission	Embedded and Real Time Systems	Digital Integrated Circuits	
18h30	Departure for the Banquet				

9h30-11h30

14h50-16h50

29TH APRIL

8h30-10h10	Power Generation	Induction Motor Drives	Power Quality Applications	Converters for Renewable Energy Applications	Poster Session P4
coffe / poster 4					
11h00-12h40	Energy Transmission and Distribution I	Electromagnetic Drives I	E-Learning I	Innovative Courses and Laboratories I	
lunch					
13h50-15h30	Energy Transmission and Distribution II	Electromagnetic Drives II	E-Learning II	Innovative Courses and Laboratories II	
16h30-18h00	Pannel Discussion and Closing Session				

9h30-11h30
